

The simple figure of a fish has symbolized Christian community through the ages, reminding us of Christ's imperative to the Apostles to set aside their worldly treasures to follow Him.

THE HUNTER FUND EMBRACES THIS IMPERATIVE

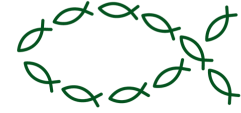

The Hunter Fund is a way for our community to school together to pursue our mission in excellence.

Support Hunter with a generous tax-deductible donation to enable us to fulfill our mission to challenge the mind, nourish the spirit, and develop the whole child in an atmosphere guided by Christian principles.

GOODNESS, TRUTH, AND BEAUTY

The Hunter Fund accomplishes what tuition and other fundraising efforts do not provide.

This Fund provides resources that support the full range of school life - from essentials in the classroom to special programs in the arts - as we strive to develop the whole child.

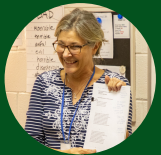

Your annual gift will directly enhance:

The grammar and logic school libraries

The science lab, the art studio, and our music program

Professional development, as well the ability to recruit, retain, and reward our top-notch faculty

...and support dozens of other critical projects and initiatives.

Tuition provides part of the resources required to educate each student, and the Hunter Fund is essential to fully fund each student in our growing school.

You make the difference through your support of the Hunter Fund.

Partner with us as we cultivate virtue and wisdom in our students as we partner with parents to form students who love God and love others.

THE NEXT GENERATION

Hunter is committed to nurturing students in the wisdom and knowledge of Christ, developing faith-filled leaders who pursue excellence in academics and life.

School together with us and share in the pursuit of educating the next generation at Hunter.

Your generosity and commitment to our students makes all the difference.
